WORK EXPERIENCE

31.03.2018 – now

CONDA – Blockchain Developer

Blockchain Developer working on a crowdinvesting ecosystem on the Ethereum Blockchain

01.01.2017 – 31.03.2018

PKE – Developer

Employer changed but workplace didn't. Because my reported bugs frequently got fixed by myself too my official job title changed (back) to developer.

Business or sector PKE is the European leader in security management with it's product AVASYS

01.09.2015 – 31.12.2016

IVM Technical Consulting – Developer Test Automation

Being employed at [IVM Technical Consultants](#) because of my experience and interest in automatic software testing I was sent to the company [PKE](#) to help build automatic tests with Ranorex

- Creating maintainable regression tests for their main product AVASYS

Business or sector PKE is the European leader in security management with it's product AVASYS

01.09.2010 – 30.06.2015

GPN Telecom – Developer

I started my official career at age 19 next to my A-Levels at the Startup Company [GPN-Telecom](#). During my employment the company became the leading platform provider for Microsoft Lync/Skype-for-Business with customers like Deutsche Telekom. The platform can be branded, customized and can even have resellers. It's capable of provisioning Exchange and Lync.

- Main MVC platform development
- Custom Ticketing-System with Lync alarmcalls
- Researching and creating automatic tests
- PHP website (and old platform) development

Business or sector GPN-Telecom is leading as platform provider for Microsoft Lync with it's product GlobalEye

EDUCATION AND TRAINING

2014-2018

Master – Software Architecture and Design (University of Applied Sciences)

MSc.

Awarded with the title "Master of Science" in Computer Science in 2018 by the University of Applied Sciences in Wr. Neustadt. Master's Thesis was about tailoring a machine learning algorithm for a mind controlled electric skateboard.

2011-2014

Bachelor – Computer Science (University of Applied Sciences)

BSc.

Awarded with the title "Bachelor of Science" in Computer Science in 2014 by the University of Applied Sciences in Wr. Neustadt. Bachelor's Thesis was about generating reports for a ticketing system.

2005-2010

A-Levels at HLW-Biedermannsdorf (High School)

For my A-Levels I switched to this school because of it's focus on computer subjects. We learned Photoshop, Indesign, Dreamweaver, Premiere and even some Flash and C# in it's basics.

2001-2005 Bundesrealgymnasium Keimgasse (Elementary Level for High School)
 1997-2001 Karl Stingl Volksschule (Elementary School)

PERSONAL SKILLS

Mother tongue(s) German

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B2	B2	B2	B2	B2
Cambridge ESOL Level1 Certificate International (Business English) Vantage. Grade C.					

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
 Common European Framework of Reference for Languages

Communication skills Earning communications skills means talking to people at your workplace and strangers. Through my Fun-Startup-Projects I do both.

- Regularly attending startup events and talking to like-minded people
- Working in a team through several projects with different people

Organisational / managerial skills Though the projects I do in my spare time with motivated people like myself and working in a small team with big responsibility at the GPN-Telecom I acquired organisational skills.

- Coordinating several team projects and members at once
- SCRUM sprint planning, delegating work packages

Computer skills Main coding skills:

- C#
- Javascript
- Java

- React, Bootstrap, Selenium, Ranorex
- VisualStudio, VisualStudio Code, Git , TFS, Jira, Windows Server

Certificates Relevant skills not already mentioned

- Machine Learning by Stanford University on Coursera
- ISTQB Foundation 2016
- ITIL Vantage 2015
- MCP 70-410 2014
- Business English BEC 2010

Driving licence Driving licence

- B
